

III Jornadas *Las Nuevas Tecnologías en las Filologías y la Comunicación*
III Conference New Technologies in Language, Literature, Media Studies and Journalism

(April 22 to 24 2015)

Saló d'Actes Sanchis Guarner

Facultat de Filologia, Traducció i Comunicació

Universitat de València

We are pleased to announce the Third Conference on New Technologies to be held in the *Salón de Actos* of the *Facultat de Filologia, Traducció i Comunicació* at the *Universitat de València* on the 22nd, 23rd and 24th of April. The duration of the conference is 20 hours. As in previous editions, the conference will combine the presence of specialists and young researchers in new technologies applied to teaching, research and the workplace. The aim of the conference is to disseminate advances in the use of ICTs in all the professions related to the fields above.

Keynote speakers: Ana Gimeno Sanz (Universitat Politècnica de València), Teresa Griffith (University of Exeter), Guillermo López Garcia (Universitat de València), Sabela Melchor Couto (University of Roehampton), Robert O'Dowd (Universidad de León), Jesús Tronch Pérez (Universitat de València).

Abstracts: proposals for 20-minute presentations are welcome on or before April 13 on any topic related to ICT for the teaching of language, linguistics, literature, cultural studies, media studies and journalism or ICTs applied to the above fields. You can upload your proposals online here: <http://bit.ly/1EdPZS9>

Attendance: registration is free but obligatory (<http://tinyurl.com/pnyyrts>)

Conference's website: <http://anglotic.blogs.uv.es/jornadas>

The organizing committee: Barry Pennock-Speck, Begoña Clavel Arroitia, Jesús Fernández Domínguez, Carmen Gregori Signes, Sergio Maruenda Bataller, Laura Monrós Gaspar, Carlos Prado Alonso and Ana Sevilla Pavón
